

# Top benefits of Microsoft 365 for startups

## Teamwork

All of your e-mails and shared calendars in one place.

Upload and share files in or outside your organization in SharePoint and evade constant file sending.

Set up online Teams meeting from anywhere.

Microsoft 365 represents the perfect way to increase your company's growth at a reasonable price.

## Tasks and Ideas

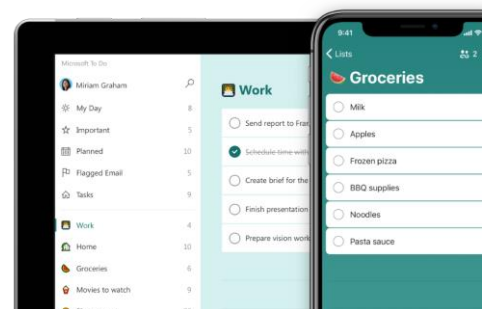

Create your own To Do List and assign priorities in Microsoft To Do, which is synchronized with your Outlook calendar.

Establish order in teamwork, assign tasks with Microsoft Planner and collaborate without effort.

Use the endless online canvas Microsoft Whiteboard for free drawing, writing and together create new ideas.
